

More answers, fewer questions

With Coterie Insurance, enjoy data at your fingertips and insurance at a click.

Meet the insurtech that's delivering the experience agents and brokers of today are asking for.

- The only prefill small commercial experience on the market means we answer our own underwriting questions.
- Get a bindable quote in seconds based on 2 pieces of info: business name and address.
- We ♥ micro small businesses, start-ups and new businesses!
- Get tailored BOP and stand-alone GL and PL (WC coming soon).
- Find an Agent feature on our website connects small businesses with a licensed insurance expert.
- Get a customized link – QuickQuote – to put on your website, social media profiles and email signature where your prospects can quote and bind their own policies 24/7!
- Available across the nation in all 50 states, plus D.C.
- We're here for you and not going anywhere, backed by our A-(Excellent) rated insurance carrier partners – Spinnaker Insurance Company, Benchmark Insurance Company and Clear Spring Insurance.
- Claims are made easy with our single point of contact for all claims reporting and questions.
- Training new employees? Staff with very little experience can quote and write small commercial policies immediately with Coterie Insurance.

We believe in relationships

Small commercial insurance is complex. That's why 76% of small businesses rely on the trusted counsel and expertise of agents and brokers like you.

Learn more by listening to our podcast, And I Quote, where we share stories from our agent community, provide marketing tips and tricks, and shine a spotlight on the hardworking small business owners of today.
