## Carrier relationship management

#### **BEST PRACTICES**

The key is to limit your relationships to the most profitable company relationships

Chris Burand

**Top 25% Growth** Agencies generate 31.8% of their revenue from Top 3 P&C Carriers - Reagan Consulting

#### **Practices**

Adopt a disciplined, strategic approach with your top 3-5 carriers. Separate renewal & new business management.

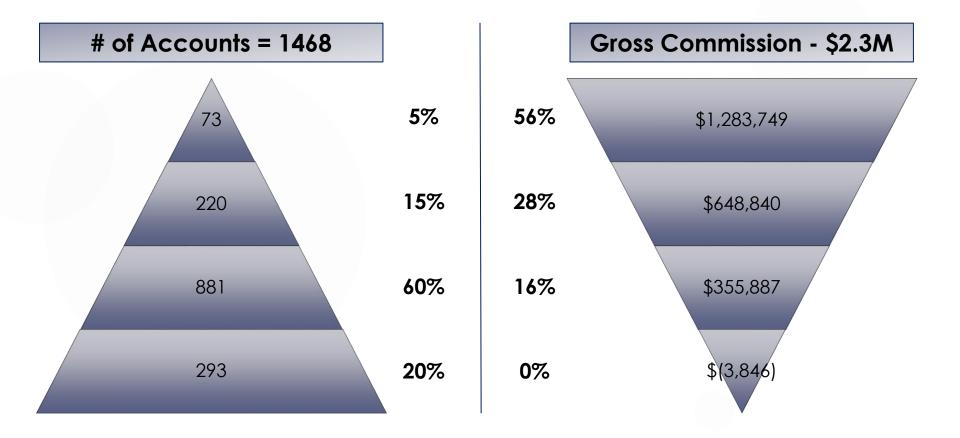

#### **Carrier Relationship Management Strategy**

- Carrier Management Process / Quarterly Overview pro-active management process
- Specific Carrier Goals and Results to Goal-History (target production goal success ratios)
- Ideal Submission to Top Carriers
- Hit Ratio with Top Carriers
