

# THE WOODWORTH MEMORIAL AWARD

Presented to:

**Bill E. Harrison, Jr.**

By: **Jon Jensen, Chairman**

Independent Insurance Agents & Brokers of America  
May 14, 2020 • Washington, D.C.

Woodworth Memorial award recipients have one element in common—an uncommon dedication to the industry and to the association.

William “Bill” Harrison, Jr. has served the insurance industry and his community throughout his career.

Harrison has worked tirelessly for his local, state and national association for more than 25 years in almost every capacity the organization can offer. He was raised in the insurance industry, joining his father, Bill Harrison, Sr., in the family agency, Coleman Company Insurance Services. After serving as both president and a member of the leadership council, he left to start his own agency, TASA Risk Solutions, in 2007.

At the state association level, Harrison has served as the Budget and Finance Committee chairman, Board of Directors chairman and state national director, among other roles. In 1999 he was named Young Agent of the Year.

At the national association level, he is chairman of the Big “I” Reinsurance Company and former chairman of the Finance Committee and Professional Liability Committee. He was also formerly a member of Agency Administrative Services, Inc., the Trusted Choice® Board of Directors and the Planning Committee.

He has also been InsurPac chairman for Texas.

Throughout the years, Harrison has served his community through volunteer work for Leadership San Antonio, Rotary International and Mission Road Ministries, as well as board chairman of Palmer Drug Abuse Program, deacon at Trinity Baptist Church and committee chair of the San Antonio Livestock Exposition. He was selected for San Antonio’s Business Journal “40 Under 40” in 1997.

Harrison is a proud father and dedicated family man. He and his wife Delaina have three daughters, and at many Independent Insurance Agents of Texas events he has been witnessed twirling them on the dance floor.

We’re thankful for his service to our industry and our association, so we honor Bill with the Woodworth Memorial Award.
