Referral Rewards Program

EMG Insurance Brokerage offers you the opportunity to earn commissions on life insurance business that you might otherwise overlook or lack the time to pursue. In times of high inflation and rising costs, who wouldn't benefit from an additional revenue stream?

Here is how it works:

Discuss life insurance with your client and gauge their interest. Complete the below form and introduce your client to Gail Yantis via email or a phone at (512) 970-9319.

It's that easy!

Once the case is placed, commissions will be paid directly to you by the carrier. Referral commissions will be disbursed as they are earned.

- For term policies, commissions will be 75% (excluding policy fees) of the IIAT Agent Commission, according to the IIAT Commission Schedule.
- For permanent policies (such as universal life, whole life, indexed universal life, etc.), commissions will be 60% of the targeted IIAT Agent Commission as outlined in the IIAT Commission Schedule.
